Dear Friends,

We are so very grateful for your prayers, gifts, and encouragement in support of the work of East West Interknit. You have made it possible for us to continue to serve those who are faithfully sharing the gospel and ministering to the less fortunate in some of the most difficult situations around the world. From the Caribbean to the Far East, they have written in joyful appreciation for the partnerships that allow them to reach more with greater effectiveness than would be the case without your help:

*"We want to thank you for your prayers and your support! Your financial seeds have enabled us to make a difference in the lives of so many children and people with the Gospel and in meeting practical needs (sound systems, clothing to the poor). We wish you all a happy and blessed New Year."* The children of JSC Home, the evangelists, Davy, Mary and Johnny, India

*"I praise God for you and the EWI family. May God bless you all especially in this Christmas season. I feel blessed even though at times I feel that I have really overstretched you. But thanks to God who knows and understands our goal and mission"* Julian Orimbo, Kenya

*"Thank you for the wire. We appreciate your thoughtfulness. May God bless you for your support, kindness and generosity."* Dr. Oduro, Ghana

*"... I want to really thank you very much for the gift for the needs of the holiday outreach event." The funds were used for the 100 orphan children to buy outfits and gifts, and for the distribution of food for those in the widows' ministry.*

*We are very thankful to all the saints at East West*

*InterKnit. We love them and pray for them all the time."* Frank Godberg, India

*"That money you sent for us is a real miracle." Thony's wife had just informed him that there was no money for food in their house and people were coming expecting to be fed. "On the morrow the money came. May the promises of the Lord for the givers continue to follow you."* Pastor Thony Paul, Haiti

*"Thank you so very much for your continued support and investment in developing our next generation transformation leaders. We truly appreciate all your involvement."* Hindustan Bible Institute, India

Your partnership in prayer and in giving during 2011 have enabled East West InterKnit to ship thousands of books and other tools needed by Bible Schools to train future Christian leaders. Many homeless and orphaned children are being raised in loving Christian environments. Thousands of widows and poor women are hearing of the love of God and receiving training and other helps. Evangelists and pastors are receiving tools and aid allowing them to reach many with a message of love and hope. Funds are also being used to launch projects expected to create greater self-sufficiency in the churches and in the local communities.

We truly appreciate your continued prayers for our partners and for the work of East West InterKnit as we begin another year of *servicing those who serve*.

Sincerely,

Annette Jones  
Executive Director
